

ALS Delegation List and MPD Delegates

- **PURPOSE**
 - To define the individuals in Garfield County who are ALS certified.
 - To define the individuals in Garfield County who may be medical control, instructors, and Senior EMT Instructors.

- **ALS PROVIDERS**
 - ALS providers may be defined as anyone performing skills above the BLS level and within the individuals' scope of practice, such as MDs, ARNPs, RNs and RTs who are under the direct supervision of the Medical Control. Such licensed personnel are not recognized as ALS providers under Washington State EMS laws.
 - ALS providers may be paramedics who are licensed to operate in the State and have received MPD approval in Garfield County to act as a paramedic. Paramedics working in Garfield County who are licensed to work with other agencies will fall under their originating counties protocols for ALS care as approved by the Garfield County MPD. Paramedics require prior approval of the Garfield County MPD to use their home protocols in Garfield County.
